Dear Harold and Lil;

Sorry to be so delinquent in writing to you. Hope the heat isn't getting to you, we have been lucky so far this year. Nothing over 87.

Haven't heard from your friend Roffman but I guess he is busy getting settled in. Would like to meet him.

I just read a review on a JFK book,"Conspiracy" the author did a BBC show on the assissination a few years ago. Have you heard of it?

Should be back to work by the time you get this. It's a new series based on a cop movie titled "Freebie and the Bean." Another one; but work is work. It's a shame what the waste money on and anything worth while always trailsbehind.

Hope you are feeling well . I guess all the exercise you do really helps. It's remarkable how you are able to do so much and still exercise. Is Lil still troubled by the sciatica? I know it is terribly painful.

Best to all of you and say hello to Jim for me.

As ever,

Paul Wurtzel
